### Member Responsibilities:

It is the duty of every member of Central Penn Racing to uphold the group's vision of racing, recreation, and community service. All due paying members will initially be considered as Level C members. Members who exemplify the Central Penn Racing spirit and vision by fulfilling the responsibilities listed, and taking initiative to formulate additional responsibilities may be upgraded to higher levels at the discretion of the advisory board and participating sponsors. Any member who feels they are regularly meeting listed responsibilities and wishing an upgrade may petition the advisory board. Any member who fails to comply with this vision or the following responsibilities may have benefits suspended or revoked pending a meeting of the advisory board. Consideration will be made for any responsibilities that conflict with special circumstances. It is the responsibility of the advisory board to provide participating sponsors with member levels on a regular basis. Additional benefits may apply as available.

#### **Level C – general responsibilities:**
